

His Perfect Imperfection

By the award winning and bestselling author Natasza Waters, comes an epic contemporary love story of imperfect romance. Mika rents a quaint cottage on a seaside estate. With a group of amazing friends and her disease in remission, she's happy. In a world spellbound by beauty, she hides the scars of her disorder beneath baggy clothes. Perched on the cliff, her mysterious landlord lives alone in a stately glass house, although his home is transparent, there's no penetrating the blue abyss of Cains' eyes or the coldness of the striking man who disappears for days at a time. Women are Cains' business. The fantasy he sells has made him a wealthy but empty man. Within a short time, he's lured by Mika's beguiling spirit. When life cracks its whip at her, he's there to catch her. Discovering her secret, he teaches her passion, but it's her love he desires, not her flesh. To keep her, he'll have to confess his past sins and convince her that beauty is more than skin deep. (Dedicated to the millions of people who are unique, not flawed, by Psoriasis and other skin diseases.)
