

## Cold Comfort (Hot Winter Nights) (Volume 2)

They're practically strangers until a cross-country road trip turns into a journey toward love... Josh Neubaum can't wait to get home for Thanksgiving. He's even looking forward to the solo drive from California to Connecticut. A little time off of work, the freedom of the road, and family waiting for him at the other end. It couldn't get any better than that. But the day before he's supposed to leave, Josh gets a request he isn't in a position to refuse: he'll have to bring the boss's daughter along on his cross-country drive, since she happens to be moving to the East Coast at the same time. Transporting the stuck-up Monica Patel thousands of miles is already torture enough because she stands between Josh and a promotion. But it doesn't help that he thinks she's gorgeous despite her haughty, holier-than-thou attitude. A lot can happen during a week on the road, though will Josh's attraction to her grow into something much hotter, or will it end up being nothing more than cold comfort?
