

WARNING: This book contains some dark, dirty and dangerous situations before ending in a jaw-dropping cliffhanger. The debauchery will continue in the second book in the series, Redeemed. I'm going to hell, and my angel's about to lose her wings. For years I've left a path of death and destruction wherever I go. I promise myself that after one last job I'll have the money I desperately need to quit taking lives. That's how I find myself back in my hometown of Lexington. So beautiful and innocent, I unknowingly end up saving the life of the one girl I was supposed to keep silent...the one girl I was supposed to end. She's my fallen angel sent from above. I can't resist staining her pure white wings with my darkness when I use her. Defile her. Deceive her. The two of us were both ruined by our pasts when they intersected. Past that we're still trying to escape with the hounds of hell on our heels. Fate brought us together. Now, I'll do anything to protect my angel from the demons that haunt her. I won't stop until I slay the devil himself to keep her safe, the man who ruined both of our lives. The only problem is, my silent angel is keeping secrets from me – the biggest of which is that I'm not the only one who wants to exploit her.
