

Falconridge

In Jennifer Wildes spine-tingling Gothic romance, a young woman is plunged into a treacherous world of secrets, lies, and murder when she moves into a mysterious mansion by the sea. When Lauren Moore is left penniless by the death of her mother, the invitation to live with distant relatives in Cornwall seems like the answer to her prayers. But Falconridge, perched on the edge of a steep cliff, waves crashing onto the rocks below, is a place of shadowed halls and locked doors. Why does the housekeeper warn Lauren to leave and never come back? What secrets does the house hold? Most intriguing of all is Norman Wade, Laurens cousin by marriage and heir to the brooding ancestral mansion. The devilishly handsome playboy warns her of the perils that could befall her at his home. More determined than ever to stay and unlock Falconridges mystery, Lauren begins to suspect that the greatest danger comes from the seductive Wade himself. Then tragedy strikes and no one is safe.
