A TALE OF STAR-CROSSED LOVERS AND MAGIC Surah Stormsongs life has fallen down around her in the past week. Her father is in a coma induced by demon poison, two Highborn Sorceresses have been murdered, and a crazed Sorcerer by the name of Black Heart has made it his mission to take the kingdom for his own. As princess, and next in line to the throne, Surah is his primary target. But hes not the only one she has to look out for. Now, Surah is on the run, having just helped Charlie Redmine escape from the castle dungeons. This makes her a traitor in the eyes of many, as Charlie is not only a common man suspected of murder and treason, but also Black Hearts younger brother. The stars are crossed against the two lovers, and the universe is trying to keep them apart. In the end, will the stars align for Surah and Charlie, or will they have to fight their fates?
