

## Feral Breed: Volume Two

Continue the saga as the men of the Feral Breed fall in love...and fate. **CLAIMING HIS BEAUTY** When Beast falls into Callas life, hes more than a little surprised to meet his mate--a woman he knows he should walk away from. But danger hovers around every corner, and Beast refuses to leave her vulnerable. Protecting one human woman wouldnt be a challenge, but Beast has to battle his past mistakes, stay under the radar of the local pack, and rescue two people he never expected to love. One of whom has yet to take her first breath. **CLAIMING HIS FIRE** After a chance meeting leads to a fiery clash, Shadow and Scarlett work hard to break themselves apart as the thread of destiny pulls them closer together. But secrets and lies arent a stable foundation for a relationship, and the walls between them are easier to build higher than to tear down. When the truth comes out and the smoke clears, will their fragile connection be burnt through or tempered by the heat? And can their fated bond survive the war brewing in their world? **CLAIMING HIS DESIRE** A psychics dream takes Aoife on a cross-country journey that leads her straight into the battle at Merriweather Fields...and the path of her mystery man. When Jameson realizes his mate is very much alive--most of the time--his renewed zest for life leaves him in a treacherous predicament: protect the men and women of his breed, his friends and Feral Breed brothers, or keep the woman fate says is his perfect match out of harms way. Loyalties shift the landscape and not everyone can find their way across when Death comes out to play in this final, full-length installment of the Feral Breed series. Also includes the novellas **CLAIMING THEIR CHRISTMAS** and **BABY MINE**.
