

A Love Stolen (The Steeple Town Series Book 1)

Can time forgive the mistakes of the past? After a six year absence, Lila Crofton has returned to her hometown of Steeple to bury her father. Hopefully she can avoid Trevor Matheson, her ex-boyfriend, long enough to take care of her business and get back to the city. With everything shes dealing with the last thing she needs is to run into the man who betrayed her and broke her heart. Recently divorced Sheriff Trevor Matheson is picking up the pieces of his life. When his high school sweetheart, Lila, returns to Steeple, Trevor sees it as a sign. Hes getting over a failed marriage and shes grieving the loss of her dad. They need one another. The timing couldnt be more perfect. But can they move past the events that tore them apart six years ago? Is there a second chance in their future, or is their stolen love gone forever? Content Warning: contains graphic sex and strong language *Note: This book has been previously published.* REVIEWS: I liked both of these characters, and its easy to see how they could have parted, both bound by honor, pride and a sense of betrayal. I usually like Jades stories, and I liked A Love Stolen too. Manic Readers ...high scores for writing and love scenes Romance Book Scene Such a great story. Adri at Sassy Moms Say Read Romance
