

Charlotte Downing, the Duchess of Charming, wants what she wants. Today, its a fine pair of lacy slippers crafted by the renowned Ellas Establishment. To be picture perfect for her presentation to the queen, Charlotte will survive crashed ceilings and falling bricks. Yet, has she met her match in the conservative merchant, whose autumn-colored eyes make her pulse race, especially when he says no? Caught between the glittering world of the ton and the respectable profession of selling shoes, Edwin Cinder cant understand the ladys persistence or the fire lighting her blue eyes when shes challenged. With his lack of pedigree, theres no chance for this common God-fearing man to win her hand, but hell risk all to save the duchess from the ravages of a London gale. Swept Away is a Regency retelling of Cinderella with a twist.
