

## Save Me: A Novel (City by the Bay Series Book 3)

The standalone sequel novel to Promise Me: A Love Story series by CJ Thomas. Note from the author: This is Trent's happily ever after. Get caught up with what happened before this story ever took place and read my Promise Me series first. Paige told me to go to Paris. It was a destination on our bucket list, something we wanted to do together. I wasn't supposed to be going alone. She was supposed to be here, with me. But she wasn't. She was gone. Torn from my life but not my heart. No, inside my heart she was still there, living, smiling down upon me and telling me to be strong. And that's what made this trip so god damn hard. I needed her here with me. To keep me from falling apart and giving up completely. And maybe she was here with me, watching over me, because I don't know if I would have ever met Elyse if it wasn't for Paige. Now, if only one of them could just save me, then maybe I could find reason to love again. Save Me is a complete standalone novel with no cliffhanger. It follows the life of Trent and is in the same world as the Promise Me series, as well as the Ruin Me series. Save Me also includes a bonus book, Beyond Tonight Vol. 1, for my readers' continued enjoyment. Thank you for making this all possible.
