

Christmas has finally come and gone but the holiday rush isn't through. A florist's work is never done as Quincy McKay can attest to. She's juggling responsibilities last minute brides, her future mother-in-law, her handsome fiances job, and a new pup who might have gulped down her engagement ring. And now she's judging the New Year's Jubilee cook off contest. After contestants start having "accidents" that knock them out of the running, Quincy becomes more than a little curious. When the accidents befall her friends and family, she decides to investigate. With the help of her side kick, her dog and a zombie delivery van, Quincy might find the culprit before the accidents become deadly and if she's lucky, before the Jell-O has had time to set.
