

Way through passion: Meaning of passion

Sometimes to unleash true passion in yourself, you may have to change your job to suit your aptitude better. But you may find that you do love your existing job, but simply don't feel very passionate about it. You can study your situation and then try to make a few changes to rekindle the passion you felt when you first started working. Visualize yourself working passionately at your job. What would you be feeling? A sharp focus, clear vision of your future, total control and mastery over your work, a healthy body and an exuberant attitude! Then reverse engineer these symptoms to regain your passion. Get more info in this book.
