

Replacing a social life with a career, bestselling romance novelist Emily Shann has gotten by on a vivid imagination, hiding a shocking secret that not even her publisher suspects—until she's asked to write something that's hotter, sexier, more explicit, and true to life. Emily has nowhere to turn for advice except to her new editor—tall, dark, and handsome Michael Devlin—who's already stirring her fantasies. So is The Channel—a secret network designed to tutor women in the art of sensual delight. Now more willing than ever before, she must convince Devlin to teach her everything he knows...if her literary fantasies are finally to become unedited flesh-and-blood reality.
