

Hell Spawn (Shifter Squad) (Volume 9)

With the apocalypse fast approaching, Lexi now knows who her nemesis is, but he isn't going to be easy to defeat. She and the Shifter Squad must find a way to halt the stone golems and their minions as well as the hordes of zombies and hell spawn that will soon overwhelm the country. They won't be alone during the battles ahead. They have gained friends and allies during their missions who will come to their aid when called. Chosen by Fate to save humankind from annihilation, Lexi must call on every skill that she has acquired during her trials. Even with her army behind her, she despairs that it might not be enough to win a war against the increasing flood of demons that are being unleashed from hell.
