

FUR-ocious Lust SHORT #1 A BBW and her Bear heat things up! \*\*\*This is a STANDALONE. This short ends in a happily ever after with no cliffhanger\*\*\* Penelope Medina has stage fright the size of Texas. So when her boss signs her and her friends up for a bachelorette auction for their non-profit, this curvy girl is ready to quit. Except, she loves her job. Good thing she can arrange it so that her assistant will buy her. Easy peasy... or not. Ethan Sinclair and his bear have been missing their mate for the past year. She dumped him because he didn't trust her. Now, he's finally orchestrated a way to get her to see him. At least, he hopes she will, before she tries to kill him for spending a fortune on a few hours with her. Anger, passion and frustration ignite to explosive heights. What was supposed to be a fun night of doing something for charity is about to turn into the second chance neither expected. Penny will take his words as truth or shut the door on any hope for a future. Reader Note: This story contains some scorching hot sex. If you have problems with low down dirty hanky-panky, you might want to skip this one. However, if you like a bear who can't get enough of his curvy woman and some cheeky humor, this is the story for you. Enjoy.
