Devon's heritage has given him a unique perspective of the world around him. His father was one of the fiercest Guardsmen in history and his mother is a very talented and highly respected Healer. At the age of his transformation he made the choice to follow in his father's footsteps and become a Guardsman but in his heart he always carried the belief and wisdom of his mother's clan. That knowledge and his complete trust in Destiny may be all that saves the One the Universe made for him. The Universe Does Not Make Mistakes... Orphaned as a child and raised by powerful Earth witches, Anya Sloane thought her life was pretty normal and relatively happy until the night she left the family farm and headed into town. Abducted and left for dead outside the hospital, she spent the better part of a month fighting her way out of a magically induced coma only to wake and find everything she'd ever knew was little more than smoke and mirrors. Fate Will Not Be Denied... Anya is the light of his soul and the only woman able to tame the beast within. Devon has the strength and knowledge she will need in the coming days. Together, they just may be the key to saving Dragon kin. All they have to do is defeat the traitor...but that means they have to find him first.
