

Trish Shallowman just wants her divorce but Curtis, her soon to be ex-husband, has already proven that hes willing to kill to maintain the sanctity of their marriage. Thanks to Curtiss sudden sense of homicidal devotion, Trishs grandfather is dead and Addison is in the hospital having a bullet dug out of his chest. Now David, the only guy Trish really trusts, is dividing his time between trying to keep Trish alive and figuring out what to do with the million dollars in stolen jewelry that Trishs grandfather kept hidden in his house for the last 30 years. Trish is pretty sure someones body is going to wind up buried in the depths of the swamp before she actually makes it to her final divorce court date. Shes just not sure whether the corpse in question will be hers or her exs.
