

## Heart Raider (Heartthrob Series, Book One) (Volume 1)

He raided her heart...and she never let go. After a raging media storm nearly destroys him, financial whiz Nick Cameron finds himself isolated and laying low on a barrier island off the Florida coast, far away from the reporters and scandals that threaten him. But when little Ronnie Whitcomb shows up on his doorstep, all grown up and breathtakingly beautiful, he tries to deny his feelings for her. Fate intervenes when a hurricane strands them on the paradise island together, and suddenly, keeping Ronnie at arms length becomes almost impossible. But daredevil TV reporter Veronique Whitcomb has an agenda of her own --an agenda that could quite possibly get her killed. Recalling her childhood hero who rescued her at summer camp, Ronnie knows there's more to Nick than the juicy scandal she's embroiled in, and she is determined to get the exclusive interview with him that will expose the real criminal. Whether Nick likes it or not, Ronnie refuses to sit by while the world slanders the most honorable and decent man she's ever known...and loved. Will a love so hot endure the scorching pressure? With over 5,000 ratings and great reviews across her alpha male romance titles on Amazon, Goodreads and other retailers, Sophia Knightly is sure to keep you turning the pages.
