

## Office Heat

Alison Connolly has always followed the rules a fact that has helped her excel at her job, but hasn't done much for her personal life. When a dirty-talking, sexy coworker makes a move while they're working late, the rules don't stand a chance. Will the erotic dalliance in the conference room ruin her chance of being with the man she really wants her boss or will it give her the courage to show him that his star employee is better after hours? Office Heat is a contemporary erotic romance novelette about a woman exploring her limits. It is not intended for younger readers due to mature content. 11,200 words
