

Hell Bound (Hellscurge Book 3)

Violet always knew that her mission to save the world from a horde of demons wouldn't be easy. But she didn't anticipate just how many obstacles would be thrown in her way. Her task doesn't get any easier when she is forced to wonder whether some of her allies are really on her side. Her secret relationship with Zach is facing its own challenges. He is unaware of the struggles that she faces, but he has his own problems to deal with. His troubles might not be supernatural in nature, yet they could easily tear them apart. To add to her burden, she has to fight her growing feelings for her guardian angel, Nathan. As if things weren't already bad enough, the Hellmaster's pet raven is seeking vengeance for the loss of its eye. Hell bent on punishing her, its revenge triggers an event that will change everything for Violet. If she survives her trip to the seventh realm of hell, she won't be the same person when she returns.
