

## Taming the Billionaire - Part 4 (An Alpha Billionaire Romance)

This is Part 4 of Taming the Billionaire a five part Hot Alpha Billionaire Romance Series by Alice Ward. Drake Waters convinced me he was the man of my dreams. But he was turning into the man of my nightmares. Lies and more lies, then more lies on top of those. He wasn't my happily ever after. He was my worst mistake and I was finally cutting him out of my life for good this time. Thankfully, the more time we spent apart, the easier it became to live without him. My life seemed to be getting back on track. Then tragedy struck, shaking my family to its very core. And when Drake stepped up to take care of us, I realized that the man who told me so many lies was also the only man I could truly count on. Maybe. This book is intended for a mature audience, 18+ only.
