

Her Lone Wolf (X-Ops Book 2)

Nonstop action and hair-raising storytelling done well. This series gets better and better.-RT Book Reviews, 4 ? StarsLeaving him was Impossible...It took everything she had for FBI Special Agent Danica Beckett to walk away from the man she loved. But if she wants to save his life, she has to keep her distance. Now, with a killer on the loose and the stakes higher than ever before, the Department of Covert Ops is forcing these former lovers into an uneasy alliance...whether they like it or not. Seeing her again is even worseThe last thing Clayne Buchanan wants is to be shackled to the woman who broke his heart. She gets under his skin in a way no one ever has and makes him want things he has no right to anymore. All he has to do is suffer through this case and he can be free of her for good. But when Clayne finds out why Danica left in the first place, everything hes tried to bury comes roaring back-and theres no way this wolf shifter is going to let her get away this time.X-Ops Series Her Perfect Mate Her Lone Wolf Her Secret AgentHer Wild HeroPraise for Her Perfect Mate: A wild, hot, and sexy ride.
