

Arrows of Desire (Even Gods Fall in Love)

When the God of Love falls for a nymph, all seven hells break loose. Even Gods Fall in Love, Book 3. Finished with the tutoring that taught him how to be an immortal, Edmund, otherwise known as Eros, steps off the packet onto English shores, and stumbles head over heels in love. There's something different about Perdita Seaton and her secretive family, but for now a bigger dilemma looms. Revealing he's the Duke of Kentmere could cut their courtship short. Yet abandoning his heritage means leaving his beloved sister at the mercy of the Titans. Even as Edmund steals Perdita's breath with the speed at which he sweeps her down the aisle, she feels safe in the irresistible tide of passion. Her father, head of a smuggling empire, is Oceanus and she is a nymph. Disaster strikes when Edmund races to London to rescue his sister, and doesn't return. Desperate, Perdita follows him, only to find no light of recognition in his eyes. Now she must choose. Admit defeat, or fight to break the enchantment keeping Edmund's heart prisoner and risk the wrath of a jealous goddess who'd be all too happy to snuff her out. Warning: Contains a wedding night that transcends heaven, a mother-in-law from hell, and one Titanic case of amnesia.
