

Heroes Are My Weakness

New York Times Bestselling Author Susan Elizabeth Phillips is back with a delightful novel filled with her sassy wit, dazzling charm, and a threat of danger a modern Jane Eyre. It's going to be a long, hot winter. He is a reclusive writer whose imagination creates chilling horror novels. She is a down-on-her-luck actress who's given up far too much. He knows a dozen ways to kill his characters with his bare hands. She knows a dozen ways to kill an audience with laughs. But she's not laughing now. Annie Hewitt has been forced to return to an isolated island off the coast of Maine, a place she hasn't visited since a disastrous summer when she was a teen. She couldn't be more ill-prepared for what she finds on the island or for Theo Harp, the mysterious man who dwells in Harp House, the mansion hovering above her home in Moonraker Cottage. When she was a teenager, Theo betrayed her in a way she can never forget or forgive. Now they're trapped together on a frozen island along with a lonely widow, a mute little girl, and townspeople who don't know how to mind their own business. Is he the villain she remembers, or has he changed? Her head says no. Her heart says yes. The wrong decision could cost her everything.
