

Seducing Celeste (Mills & Boon Vintage Intrigue)

Celeste Sullivan couldn't believe that old flame Drew Hampton had walked back into her life as casually as he'd walked out! They'd once worked side by side for the Sullivan family's hotel chain, till Drew trampled her heart on his way out the door and up the corporate ladder. Now he was a vice president of a rival corporation seeking to buy her family's Old Liberty Tavern, and more determined than ever to win the cool and sophisticated hotel manager's love. She wanted to hate him. Tried to ignore him. But she couldn't control those heated shivers that ran up her spine at his slightest touch.
