

His to Have: A Billionaire Romance (The Complete Series)

With a man like billionaire Blake Bennett, one night is never enough. Heiress Catherine Carlisle has hit rock bottom. She's lost her fortune, her friends and her social status. Blake Bennett is at the top of the world. The handsome CEO of Wall Street's hottest hedge fund, Blake always gets what he wants. And he wants Catherine. There's only one problem. Blake is the reason Catherine has lost everything. Ok, there's another little problem: Blake's under investigation by the FBI. But their chemistry is undeniable, and that shouldn't be enough to stop them from sharing one night with each other. When one night turns to two, and two turns into more, Catherine realizes that Blake's hiding a secret past, and she might be the only person who can save him. Will she simply be his to have, or does she want something more? This is the complete 3 part series of His to Have. PART 1 - His to Have Heiress Catherine Carlisle has lost everything she's ever held dear: money, status, friends. Then she meets Blake Bennett and realizes just how much she's been missing. Blake is the CEO of Wall Street's hottest Hedge Fund. He's handsome, intense, and intent on making Catherine his... at least for one night. But when one night turns into two, and two turns into more, neither Blake nor Cat can deny the intensity of their mutual attraction. When confronted with questions about Blake's past and his motivations, Cat must make a decision. Will she simply be his to have? Or does she want something more? PART 2 - His to Hold Heiress Catherine Carlisle thought she had lost everything: friends, money, status. Then she met Blake and realized how much she'd been missing.
