

How to Find Peace: A Guide for Facilitating Spiritual Evolution and Discovering Happiness That Lasts

Shatter the Illusions and Discover the Truth
To know about something is very different from KNOWING it. Perhaps you have some spiritual knowledge, but how often do you experience PEACE? CONTENTMENT? JOY? BLISS? ECSTASY? Youve probably been searching for these higher states for some time now, but what has all your searching brought you? Are you still unsatisfied and unfulfilled? Is it really possible to find lasting peace of mind and happiness in this hectic world, or is it all just a fairy tale? I think youll be relieved to discover that the TRUTH is right in front of you, just waiting to be realized. YOU DONT HAVE TO WAIT TO FEEL AT PEACE! It is available to you this very instant, however, you may have some blocks that need to be removed before you can come to KNOW Peace rather than just know about Peace. This book is dedicated to helping you evolve mentally, emotionally, and spiritually, by facilitating your understanding of basic (yet profoundly life-altering) spiritual concepts, thus allowing you to effortlessly transcend the obstacles on the path to peace of mind and happiness that lasts. Join me on the inside and let us take the journey together. May we both awaken to our true nature. May we never be the same again...
