

Angel 6.0: Escape (Space Opera Romance) (Angel 6.0, Book 2)

Angel 6.0: Escape, a space opera romance series from NYT and USA Today bestseller Travis Luedke. ***THIS IS EPISODE 2 OF A STEAMY HOT SERIAL SCIFI ADVENTURE*** All Episodes will be available on Kindle Unlimited as they are published. My name is Angel, I've been abducted and stolen across the galaxy by the Gran, a fierce race of alien Cats. The Captain of the Gran knows my secrets. I'm the product of illegal genome experiments to perfect the human race. He exploits my special qualities when I serve as his concubine. When I'm not serving the Captain, I fulfill his wishes. He ordered me to breed or die, so I breed, constantly. Or I try to. Jason, my fellow captive and lover, is my anchor to sanity. Unfortunately, Jason doesn't know my secrets. He considers clones an abomination. I fear the day my lover helps us escape as he's promised. I fear his rejection if he learns of my deceit. I pray to a universe that has never shown me favor, I pray our love can survive our escape. The Series: Born of illegal experimentation on the human genome, I've been taken for a ride across the galaxy, enslaved to the warlike race of Cats called the Gran. They think I'm some kind of upgrade, a new slave stock to be bred. Though many would resent me for the decisions I have made, they never experienced my struggle to find love and meaning in a world where I do not belong. A freak of nature, the humans don't want me. Far more valuable than they could ever know, the Cats don't appreciate me. Trapped in the conflict between two galactic empires, the pirates can't save me. Thrust into the center of an interstellar war, the Earth Defense Council never saw me coming. I am Angel 6.0 and this is the dark, wicked, violent tale of my life.
