

Kingdom of the Damned: Part One

A short story set in 13th Century France, Kingdom of the Damned Part 1 is the first in a series of short works that form the prequel to The Dominion Series of Paranormal Romantic Suspense novels. In 13th Century France, Soren Lindgren seeks a stronghold in France and orders his lover, Marguerite, to turn Julien de Cernay, Knight and protector of his fathers estates, into a vampire. She decides to turn Juliens identical twin brother Michel as well, but gets more than she bargained for. Kingdom of the Damned tells the story of the creation and early days of the de Cernay twins as they struggle to adjust to life as vampires in 13th Century France. ***Warning*** Suitable for 18+ due to language, violence and strong sexual content.
