

Recipe for Magic: (A light paranormal romance)

Previously titled THE PERFECT DISH and COWBOY IN THE KITCHEN This is an absolutely adorable book. I picked it up, read it, and wanted more. Book-Addicts.com From the first page, I couldn't put the book down. Ms Painter has written a winner! The Romance Reviews About the book: When Manhattan chef and notorious playboy Kelly Spicer realizes his recently widowed sister needs help, he turns to the most dangerous answer he knows: sorcery. Using the magic cookbook passed down through his family's generations, Kelly conjures up a recipe of chocolate-laced persuasion to enlist the only woman he thinks can pull his sister out of her grief. That woman is Mery Black, grief counselor to the stars, who secretly thinks she's a jinx when it comes to men and love. When she lets that secret slip, her latest book deal gets canceled. Dating Kelly suddenly becomes the antidote to her damaged public persona. She vows she won't fall in love again, but little does she know she's about to do even more damage. To his heart.
