

Spirits In The Trees: Book One of The Spirits Trilogy (Volume 1)

EVIL DOES EXIST An abandoned house, a serial killer, and a victim reaching out from the grave. A woman races against time to unearth deeply buried secrets before she becomes a ghost herself.

YOU ARE NOT ALONE

Madeline Anderson goes to Isabelle Island, Washington, to sell a family home abandoned over forty years before. Strange things occur the moment she arrives on the property. Inside the dilapidated old house, items move about on their own accord. Noises come from empty rooms. She has a vivid, recurring dream of a woman running for her life. The wind rustling through the trees sounds like urgent, murmuring voices. When the cacophony dies down, one single word emerges: Madeline, Madeline, Madeline.

YOU CANT HIDE The next door neighbor helping to restore the place doesnt believe anything bizarre is going on. Hes certain shes jumping at shadows because the local kids called the house haunted. That is until he witnesses horrific violence himself that cant be explained. After Maddys life is threatened not once, but twice, Doug Lindstrom, vows there will not be a third.

THEY SEE ALL

While searching for answers, Maddy uncovers astonishing secrets about her aunts past. Finding more questions than answers, she digs deeper until she stumbles across evidence of an old cold case involving a serial killer named The Seaside Strangler. Now Maddy must unmask a killer. The life she saves might be her own.
