

When bookseller Lindy Oliver and undercover cop Jesse Nightwalker sit down to share a pastry at the local deli, they're strangers. But as breakfast suddenly becomes a heart-stopping life-or-death ordeal, a stolen kiss changes everything between them. Escaped convict, Tabor Hardin, blames Nightwalker for his imprisonment. With Lady Luck on his side, the brutal murderer plans to quickly gain a fortune, then make the cop pay with his life – very slowly. Hardin's gang enters the deli in a hail of bullets, and Jesse shoves Lindy beneath a table to shield her. But as he does, he steals one hot, life-altering kiss that forms an unbreakable bond between them. Now, with someone to live for, survival takes on new meaning for both of them. Secrets and vengeance are bound to crush any thoughts of a future between them. Fate provides a glimmer of hope for true love, but can it last in the firestorm of this Sweet Danger?
