

Immortal Promise (Immortal Heart Book 3)

Lothar is the solid, responsible, second-in-command Elite Light Fae Warrior who feels everything. Channeling the emotions of others, Lothar has experienced what real love feels like. An emotion he hasn't felt for himself in over a century, not since losing Holly to the vampires. Holly left the Middle World to find a new home among the Vegas coven of vampires. Hiding from an overprotective brother, an uncaring mother, and a sister who leads the Light Fae, Holly has stepped out to find herself. However, shadows of the Middle World stretch over the new life she has built. After rogue members of the coven follow Katarina, the succubus mate of Lothar's youngest brother, to invade the Dark Fae lands, they put the Light and Dark on the brink of war, forcing the coven to comply with the warriors. After observing the vampires, Lothar is suspicious of the secrets the coven hides and the magic that surrounds the group. When Darion brings the war to Holly's front door, she is thrown into a world that has been long forgotten. With Fate stepping in, the future of the Middle World lies in Holly's hands. With Lothar at her side, they are forced together to save those they love as the battle lines are drawn. Will the Light Fae ever be the same? Will the fight to find home and save the Middle World bring them together, or does fate have something altogether different in mind?
