

In A Heartbeat

Each beat of her heart brings her closer to the truth and closer to him...When Jenna's husband Paul dies in a car wreck, he leaves his desperately ill wife one last gift: his heart. Now, as Paul's heart beats strong within Jenna, something strange is happening. Paul is leading Jenna back to Texas-- to a twin brother she never knew he had, and a past he kept secret from her. Mitch Elliot is a mirror image of Paul-- but that can't fully explain the powerful, electrifying feeling Jenna has towards him. Paul's heart is binding her and Mitch in a way that can't be explained-- and leading them both to a truth too dark to face. Torn by two men: Paul, the husband she never really knew, and Mitch, who is shattering all her illusions and awakening her to love-- Jenna knows she must follow her heart...at whatever the cost.
