

Flagger (Red Bird Trail Trilogy Book 1)

Fast Cars Quarter-miles Broken homes Vulnerable hearts Cash Montgomery likes fast cars, fast women, and living his life only as far as he can see with his own two eyes. There are very few people in his life who he answers to. One of them being his little brother Remington (Remy). When Cash and Remy are forced to make a life-changing decision they no longer have a place to live, no idea where their next meal is going to come from, or any prospects as to how they will make it. They need help. That help comes in the form of the Heaven Hill MC and Harper Stillwell. Harper Stillwell comes with her own set of problems, but when she and Cash Montgomery meet, sparks fly. None of them know what they're doing, where they will end up, or how they'll get there. The only thing they know is that the race for their lives is only beginning the flag is waving and they have to hang on for the ride. *****This is a trilogy & the story ends on a small cliff-hanger. Books 2 & 3 of the trilogy will be out in July & August!*****
