

Semi-Human (Harper Hall Investigations) (Volume 2)

Harper Hall finally has everything she ever wanted. Thriving paranormal PI business? Check. At least some control over her psychic ability? Check. Smokin hot ex-slayer fiance? Check. But Harpers plans to grab the first ordained Elvis impersonator she can find and marry Noah Riddick on the Vegas stripsans dramaare shot to hell when her old business partner shows up and makes her an offer she cant refuse. And if she tries? Well, lets just say she might not live long enough to regret it.

In the course of their elopement from hell, Harper and Riddick find themselves entangled with the paranormal mafia, dodging creepy vampire menage action, and participating in the supernatural equivalent of Fight Club. First rule of paranormal Fight Club? There are no rules. And, oh yeah, dont die. Seriously, whats a girl gotta do to get her happily ever after? Semi-Human can be read as a standalone, but works best if read as part of the Harper Hall Investigations series (Book 1: Semi-Charmed). This book is intended for mature audiences. This book is not intended for anyone who doesnt enjoy smart, snarky heroines and dark, brooding heroes, and who doesnt appreciate a plethora of nerdy pop culture references. For the rest of you: happy reading!
