

Mark and Julia from The Virgin and the Playboy have set the date! They are to be married at The Castillo Las Vegas, where they met on their 1Night Stand. All their family and friends are invited and they have planned a special surprise for their maid of honor and best man. Karin, Julia's cousin, a small town librarian, chose family obligations over her dreams of the stars. She loves them all, but wonders when it will be her turn to live as she wishes...if it isn't too late. Ray, commercial pilot, is every bit as much a playboy as his brother Mark used to be. He isn't opposed to finding The One, but fears his brother has collected the only perfect jewel. What more appropriate gift for these two than a 1Night Stand with a date personally selected for them by Madame Evangeline.
