

Just What the Doctor Ordered

THE DOCTORS SYMPTOMS Dr. Matt Dennis never considered himself a family man until he was mistakenly assigned to a rural clinic and forced to live in Liz Rawlins's home. The attractive single mom welcomed him into her family, making him feel like he actually belonged. Making him wish for a moment that the domestic fantasy could last indefinitely. But Matt knew all about heartache and its prevention. THE SINGLE MOMS REMEDY Underneath Matt's icy reserve, sensitive Liz glimpsed a bighearted man. Like a moth drawn to a flame, she'd fallen completely in love with him. And Liz knew that a dose of her warm lovin was just what the doctor needed.
