All Lacey wanted to do was treat herself to a day of indulgence at the new shop in town, Crave. Instead she finds herself whisked away to a secluded cabin by two men claiming that her safety comes above all else. Parker can see that Lacey is meant for Ryan and refuses to act on his own attraction to the sweet and curvy beauty. But Ryan has other ideas and draws Parker in to teach Lacey the pleasures of a menage where they find more than chemistry when all three hearts become involved. Crave.
