

Perfect Summer (Loving Summer Series #2)

For age 17 and up. Contains mature situations. Recommend for reading after Falling for Summer Two hot brothers, one steady and secured, groomed to take over their familys billion dollar enterprise. The other, a rising football star whose body is well-known to women of all ages in print and in person. Both in love with the same woman, whom they cant have - Summer Jones, their sisters best friend since childhood, and the girl they promised to protect. Shes never been so lost in her life, following the tragedy that rocked her steady and secured life. Always the perfect girl, the good girl who does everything to take care of everyone else, shes now the one whos fallen too far. Not Drew, not Nat, and not even Rachel. She knows she has to choose and make a decision. She knows she has to do the right thing, but as she decides with her mind, her heart rebels. Her desire for both Donovan brothers has grown insatiable and an addiction so much so that lines are blurred and nothing is clear. Just when everything seems bleak and hopeless, comes a revelation so deep, that what seems far from perfect becomes perfect in what turns out to be the Donovans most perfect summer. Recommended read after Falling for Summer. The Loving Summer Series Reading Order including The Donovan Brothers, which continues the Loving Summer Series but more from the views of Drew and Nat.
