

## Escalation Clause (Stewart Realty Book 6)

Young love burns hot and bright. Soul mates are found, then lost in the blink of an eye. When young widow Maureen Gordon Taylor meets her daughters sexy soccer coach, her body and heart slowly thaw. But will holding tight to the past cost her a future? A devastating blow shatters a familys fragile happiness. Rob Freitag and Lila Warren now confront life without the emotional glue that once bound them, but a shared goal brings them back together. Is it enough to make them whole again and become the family they were meant to be? Mutual trust is hard won for the Gordons. Then tragedy strikes, sending Jack and Saras lives into a tailspin. To keep her family from falling apart, she must force Jack to admit his deepest fears. After everything theyve been through, can they revive the spark and move to the next stage of marital fulfillment? The sweeping saga of the Stewart Realty series continues as long-time friends learn to rely on each other, and to grab hold of happiness before its too late.
