

Personal Tax Law Manual (Sweet & Maxwell manuals)

Following the pattern of the other publications in the Sweet & Maxwell Manual series, the Personal Tax Law Manual seeks to provide a clear and practical statement of the law as it relates to a wide range of tax situations. With the aid of worked examples, forms, documents, flow charts and tables, it offers advice on procedure and practice and explores various topics including: Schedule E and its implications for the employee, covenants and charitable trusts, international employment tax planning, pension schemes, the effect of the Finance Act 1988 on marriage and divorce, the tax position of underwriters at Lloyds and taxation of land transactions.
