

Love Magick

Francesca Lia Block does it again! This time, she has brought together a powerful, talented, impeccable group of writers, in her first venture into publishing, with the e-book anthology LOVE MAGICK. She has been playing with the idea of publishing the work of her friends and students together for years. In this genre-bending anthology, 38 writers from around the world, invite us into the realm of LOVE MAGICK as they understand it. This is a book of stories and poetry told through the lens of fantasy, magical-realism, contemporary fairy tales, erotica, sci-fi, even horror- beautiful work that seeks to understand both the magical aspects of love and the love aspect of magic. How does love change us, for better or worse? This anthology is a kaleidoscope for the senses, like LOVE MAGICK, it is nothing youd expect, and everything you might hope for. About the editor: Francesca Lia Block is the author of many books, including Dangerous Angels, the Weetzie Bat Books, Wood Nymph Seeks Centaur: A Mythological Dating Guide, Pretty Dead, The Frenzy, Roses and Bones, as well as the forthcoming books, Pink Smog, the Weetzie Bat Prequel, coming in January 2012 from HarperTeen, and The Elementals, which will be published by St. Martins Press in 2013.
