Too bad its not enough to keep her boyfriendex-boyfriend!from cheating on her. Now Talis on a mission to make herself feel better, starting with a spontaneous trip to Paris for some much needed retail therapy. Gavin could think of a million things hed rather do than fly a rich girl from The Meadow to Paris. Now hes stuck with her for a week, acting like her personal assistant, and it just might be the most frustrating time of his life... and strangely the most enjoyable too. Theres just something about Tali he cant ignore.
