C A BBW Wolf-Shifter Romance -- Book Six of Six Max did manage to remove the threat to Avelyn's life, but at what cost? So many people they loved are now gone, and they have to live with the void they left behind. The stress and trauma Avelyn had to endure affected her deeply, and it seems her health and the life of her baby are at risk. The doctors are doing everything they can to help her carry her difficult pregnancy. She needs rest, so Max makes sure she has everything she needs at the Schloss. The Blackmanes and their ally, the dragon-shifter, are absolutely sure they managed to cover all traces of the battle that took place on the grounds of Alma Venus Boarding School. So, when Max, Karl, and Jocelyn are summoned before the Council to explain their involvement with Sabine Miller, the kidnappings, and her rogue pack, they are caught off guard. How did the Council find out about them? Telling the truth might be the right thing to do, but there will be consequences. With the annual summit getting closer, the shifter factions should have one concern: keeping the peace treaty intact. This is the sixth and last book in the Sold to the Alpha completed serial. It is NOT a standalone. It contains explicit language and sizzling hot scenes that might set your Kindle on fire. Intended for readers 18+. Approximate word count: 29,000 words
