Love is not logical. Neither is leaving her alone. Restored Cyber Soldier, Marcus 582, thinks the chances of dating reluctant cyborg, Rachel 235, are slim. His cyborg mind cant calculate the odds of her loving him back with any accuracy. His human side certainly feel Rachels resistance to his every romantic overture. Neither of those change the fact hes compelled to protect her. Marcus understands why Rachel doesnt want to be a cyborg. After all, her conversion wasnt voluntary like his. But she wants a life without any cyborgs in it, including herself. Too bad though, he cant give it to her. Hes already lost all he can stand to lose in his life. He refuses to lose Rachel too. About the Cyborgs: Mankind Redefined series This is a science fiction and fantasy series that takes place in the not too distant future. These Cyborg romance heroes are genetically engineered military men who have been cybernetically imprisoned after a near apocalyptic global war. The heroine in Book 1 appears briefly in every book as one by one she and her team attempt to restore each soldiers humanity. Each book in the series deals with a different restored cyborg. Each story also contains lots of action and adventure, some violence and language, and hopefully a few laughs along the way. Available books in the Cyborgs: Mankind Redefined series Book 1: Peyton 313 Book 2: Kingston 691 Book 3: Marcus 582 Book 4 is coming soon
