

Luvie Beiderman is blindsided when she is fired from her junior fashion design job in New York City and is forced to move back to her small town in Kentucky ... under her parents roof. Being home isnt so bad, after all, Luvie started Primp My Pet Mobile Pet Spa and is dating one of her clients owner, hunky Jase Nelson. When Luvie is offered her dream design job in New York City, she is forced to make a decision between a career shes always dreamed of or the new life she has created in her hometown with the man she loves
