

Broken Promises (The Broken Road) (Volume 2)

The Sequel to the sexy, suspenseful novel *The Broken Road*. Not a day had gone by that I didn't dream about Shane, that one day he would come home to us. I imagined that our days would be filled with long talks and moments of reconnection, and our nights would be full of hot, sweaty sex. But things weren't going the way I had imagined. Baby steps, Megan. He just needs to adjust. I couldn't change the past and we would have to take things in stride. We couldn't be the same couple we once were, not overnight. When Shane Turner shows up at Megan Connor's carport one rainy night, Megan thinks she's dreaming. The man who has held her heart since high school, and the father of her unborn child, is supposed to be dead, killed in an explosion at a safe house. But somehow Shane has survived, and Megan believes that with him home safely and their baby on the way, they will finally get their happy ending. But it soon becomes apparent that all is not what it seems. Shane is home, but he's brought some demons back with him, demons that Megan can't fight alone. Shane is a haunted man, plagued by paranoia and distrust. He believes that danger threatens their lives at every turn, and it is tearing their life together apart. In this compelling sequel to *The Broken Road*, Shane must deal with the present and the future, with the cartel and himself. Megan must protect her family and, when the time comes, must make the ultimate decision. Will Shane and Megan have their happily ever after, or will it just be another broken promise?
