

Merciless Love: A Dark Romance

ONLY MERCILESS LOVE TAMES THE DARKEST HEARTS...The names Evan Cole, and I deserve to burn for what Ive done.The girl with the rocking body I saved yesterday believes Im some kinda hero. Youd think shed recognize evil after staring it in the face all her life, but with me, Cassies completely blind.She doesnt know this house is a prison. She doesnt know the cartels got my son. She doesnt know Im a selfish, desperate, pissed off imposter, and Ill do anything to get my boy home.Dealing in flesh is nothing new. Remorse is a word I never learned. Turning her into a new toy for the savage blackmailing me should be a cakewalk.Except it isnt.Theres a deeper, crazier part of me that starts to blaze whenever I see her. I just cant shake these insane fantasies about hauling Cassie to bed and working out the pain, the rage, the insatiable lust, claiming her as mine and nobody elses...No! I need to forget all that and get on with this sideshow. I cant go soft. If I do, the whole damn worlds gonna crash down and bury everything Ive ever cared about.Note: this is a very dark and gritty romance novel about heartache, redemption, and really hot loving. Bad boys and desperate girls do the kinds of things youd expect. Merciless love holds back nothing!
