Mechelle Taylor had your picture perfect life. A life that seemed to be the envy of most every woman around her. She had the man of her dreams, the career she always wanted, a house designed by her. Mechelle had no complaints. But what seems so perfect isn't always so, now is it? As events unfold shattering Mechelle's seemingly perfect world, how will she survive? The hurt, the pain, the betrayal it was all consuming her. As she looked at the reality of her world, she realizes that she was just Lost in Lies.
