

## Moonlight Hero: Ashton Grove Werewolves

Alpha werewolf Gabriel Andrews is stunned when his mate comes bursting through the door of his garage. Running from a ravenous vampire, Kiera is happy to see the hot mechanic. A confrontation between the couple and the vampire forces Gabriel to announce Kiera as his mate. When the vampire throws down the gauntlet, demanding that Gabriel and Kiera marry in order to prove that she's really the alpha's mate, Gabriel is only too happy to agree. Kiera on the other hand has her doubts. Coming from a small town in Tennessee where werewolves do not associate with other shifters, the little werewolf can't believe that Gabriel could really want her in his life. Will these two have a happily ever after? Or will Kiera's past life and an angry vampire keep them apart?
